

ANOTHER BRICK IN THE WALL

As you will know, Christopher Rawlins Primary School is expanding and, although we have been fully functional as a school throughout the building work, we are now looking forward to the school's official 'opening' in April 2018.

What you may not know is that the funds provided for the physical expansion of the school do not stretch to the provision of furniture, equipment or learning resources for the new classrooms and shared spaces. So we are launching an exciting community-wide fund-raising initiative called ANOTHER BRICK IN THE WALL. You can be part of our school's exciting future, supporting us in our drive to raise £15,000.

Sponsor a virtual brick and watch as the wall builds up, higher and higher, reaching targets along the way such as interactive whiteboards, library books, window blinds or play equipment. Your name, or the name of your business, will appear on our interactive wall in school, on each brick that you sponsor. You can lay a whole row of bricks if you wish, or even build a tower! At our official opening event, we will announce the total amount raised and show you exactly how the money has been spent in school. We will then convert our virtual wall into a permanent legacy within school.

Virtual Bricks cost £5 and can be purchased in any quantities by filling in this form and returning it to school, marked ANOTHER BRICK IN THE WALL, along with payment.

We hope that this will be fun and rewarding way to give the children of our community the facilities and education that they deserve.

If you feel that you are able to support this fundraise initiative, please contact the school office on 01295 810497.

Thank you in advance for your support.
