

# CHANGES TO THE OPENING HOURS AT ADDERBURY LIBRARY

FROM 3 SEPTEMBER 2018

Oxfordshire Libraries have agreed, following consultation with the public, to alter the opening hours of the library to ensure that these still reflect the needs of the local community and to bring them in line with the offer in other branch libraries of a similar size. There is no change to the overall number of hours that the library is open, but we hope the new timetable will facilitate better access to all the services available at Adderbury Library.

A summary of the changes in opening times is given below.

- There is no change to the days that the library is open
- The hours have been simplified, avoiding gaps during the day where possible
- One evening session has been retained for the benefit of people coming home from work
