

Summer Show

Saturday 27th August 2022

The Institute is booked; the admin is completed, the Parish Council have given a grant towards the costs so Adderbury Gardening Club's Summer Show is good to go.

The Schedules, for Adults and Juniors, are now in Adderbury Stores, the Library and on the Adderbury web page. For the adults the usual range of fruit and vegetables, plants and flowers, jams, breads, cakes etc. and a few craft based classes for the juniors.

Our show is just for members of the Gardening Club and the villagers of Adderbury, Twyford and Milton and is a fairly relaxed and fun event.

For those who have never exhibited before the rules along with a few hints and tips and how to enter are in the Schedules.

Registration of exhibits takes place on Thursday 25th August between 6.00 pm ~ 8.00 pm at "Placketts", in the High Street next to the Post Office, or by email to min67rod@sky.com at any time before that time and date.

We have a few well worn and some unique trophies and 1st, 2nd, 3rd and Highly Commended certificates for the winners so why not give it a go. Last year we had a few new exhibitors and some of them won prizes.

Our show last August was the first village function in two years but, perhaps, still reluctant to attend public gatherings, those wishing to exhibit and visitor numbers were well down on previous years.

Another year along, let's get back to normality and make the 2022 Show the best we have ever held.

Thank you for the continued support.

Red Reboff
